Exciting announcement from Dan and Russell!

Dan, Russell, and their friend Kerry are excited to show you [their new site!](#)

A \$50,000 grant will be awarded to the first place winner, \$20,000 for second place, and \$10,000 for third place. All faith-based non-profits are eligible to apply.

Upon applying, organizations can then ask their fans, friends, and family to vote for them. So even if you're not a part of an organization applying, you can check out all the great ministries and vote for who you want to win.

Once the top 10 organizations are selected by voters, a voting committee will choose the three winners. Get a sneak peek at the announcement below and a better understanding of what this is all about! We feel we've created something that's newsworthy, substantive, and a service to ministries as well as those who encounter them.

In the first few days of it's launch we're seeing the substance of what's been created. And for that we're thankful. You're someone we value and we appreciate our relationship. As part of this, we invite you to:

- Visit [Giving of Life](#).
- Vote on one of the ministries that you value and believe give's life well to others.

For couples. Led by Steve and Gwen Smith of [Potters Inn](#). [Click here to register](#).

Give Online

"Partnering" is often a fancy way of saying "please give us money." But when we ask you to partner with us, we're asking for so much more than financial support.

To us, partnering means you are *for* us and you stand by our mission. It means you're telling others about your experience and interaction with The SoulCare Project. It means you're praying, not just for leaders attending our retreats, but also for specific individuals and their own spiritual journey and renewal.

The SoulCare Project is privately funded and we're very grateful for the support that a few financial partners have committed to our work.

We continue to encounter more opportunities to offer retreats and

- If you know of a ministry with less than a \$4 million operating budget, you can invite them to apply for one of three Giving of Life grants awarded in 2011.
- Most importantly, we ask for your prayer with this initiative and for us, that our intentions would be worthy, that ministries would be served well, and that His purposes would be served.

Thank you!

Rich Mullins: A Ragamuffin's Legacy

Worth Supporting

Director David Schultz is attempting to complete a full-length film based on the life of singer/songwriter Rich Mullins. The life of Rich Mullins seems to play into many Christians lives through his music. The film trailer speaks similar thoughts that we at The SoulCare Project hold close to our hearts: being nearer to God. [Click here to view the trailer and get more information about the film](#).
